Dear Members of the Partnership Committee,

In accordance with Article 8(b) of Act No. 29-2009, as amended, known as the Public Private Partnerships Act (“Act 29”) and Section 3.4 of *Regulation for the Procurement, Evaluation, Selection, Negotiation and Award of Partnership Contracts and Sale Contracts for The Transformation of the Electric System Under Act No. 120-2018, as Amended* (the “Regulation”), the Puerto Rico Public Private Partnerships Authority (the “Authority”) hereby submits for your consideration a request to approve the modifications to certain terms of the Request for Proposal for Puerto Rico Electric Power Transmission and Distribution System RFP 2019-2 (“RFP”) approved by the Partnership Committee (the “PC”) on February 1, 2019.

In particular, the Authority respectfully requests the Members of the PC to, in the exercise of their responsibilities under Act 29 and the Regulation, approve certain modifications to the requirements for the Binding Proposals in Section 4.1 of the RFP, the Indicative Evaluation Criteria in Section 4.2, and a modification to the Key Milestones timeline in Section 1.3. Should the PC approve the modifications to the referenced terms in the RFP, the Authority will proceed to issue Addendum No. 3 to the RFP (included herein) indicating the revisions to bidders.

To that effect, the Authority respectfully requests the Members of the PC to, in the exercise of their responsibilities under Act 29 and the Regulation, approve Addendum No. 3 (included herein) to the RFP. Unanimous written consent from all Members of the PC is required to approve this Addendum No. 3.

Please provide your votes no later than noon on Friday June 14, 2019. As previously stated, all of the Members of the PC must submit a vote in favor of the proposed modifications in order to become approved.

Please reply to all of the other Members of the PC.

Thanks,

Fermin
