Subject: Referendum Addendum No. 5 - RFP T&D

Dear Members of the Partnership Committee,

In accordance with Article 8(b) of Act No. 29-2009, as amended, known as the Public Private Partnerships Act (“Act 29”) and Section 3.4 of *Regulation for the Procurement, Evaluation, Selection, Negotiation and Award of Partnership Contracts and Sale Contracts for The Transformation of the Electric System Under Act No. 120-2018, as Amended* (the “Regulation”), the Puerto Rico Public Private Partnerships Authority (the “Authority”) hereby submits for your consideration a request to approve the draft version of the Operation and Maintenance Agreement (“O&M Agreement”) to be provided to the Proponents in the Request for Proposals for Puerto Rico Electric Power Transmission and Distribution System RFP 2019-2 (“RFP”) approved by the Partnership Committee (the “PC”) on February 1, 2019.

For your benefit, the Authority includes the most recent version of the O&M Agreement and a blackline version showing the revisions made since the O&M Agreement was previously approved by the PC and shared with the Proponents on May 24, 2019. If approved by the Members of the PC, the O&M Agreement will be circulated to the proponents as part of Addendum No. 5 (included herein) to the RFP.

To that effect, the Authority respectfully requests the Members of the PC to, in the exercise of their responsibilities under Act 29 and the Regulation, approve Addendum No. 5 (included herein) to the RFP. Unanimous written consent from all Members of the PC is required to approve this Addendum No. 5.

Please provide your votes no later than September 4, 2019. As previously stated, all of the Members of the PC must submit a vote in favor of the proposed modifications in order to become approved.

Please reply to all of the other Members of the PC.

Thanks,

Fermín
