(a) Each of the Concession Company and the Contractor is duly organized, validly existing and in good standing as a limited liability company, under the laws of the Commonwealth.

(b) Each of the Concession Company and the Contractor has the power and authority to enter into the Agreement and the Construction Contract, as applicable, and all other Concession Company Documents and to do all acts and things and execute and deliver all other documents as are required under the Concession Company Documents to be done, observed or performed by the Concession Company and the Contractor, in accordance with the terms thereof.

III. Qualifications, Exceptions and Limitations

Each of the opinions set forth above is limited by its terms and subject to the assumptions hereinabove stated and is further subject to the following qualifications, exceptions and limitations, none of which shall limit the generality of any other assumption, qualification, exception or limitation.

1. The legality, validity and enforceability of the Concession Company Documents and the opinions expressed above may be limited or otherwise affected by:

   a. bankruptcy, insolvency, reorganization, liquidation, readjustment of debt, receivership, moratorium, fraudulent conveyance, equitable subordination, equity of redemption, recharacterization or other similar legal principles now or hereafter in effect governing or affecting the rights and remedies of debtors and creditors generally, or general principles of equity, regardless of whether considered in a proceeding at law or in equity;

   b. applicable laws or judicial decisions of the Commonwealth which may render certain of the rights, remedies, waivers, and attorney-in-fact appointments contained therein unenforceable or ineffective, but the inclusion of which do not render the Concession Company Documents invalid as a whole or make the remedies generally afforded thereunder inadequate for the practical realization of the principal benefits intended to be provided by those documents; and/or
c. the concepts of good faith and fair dealing, materiality and reasonableness, regardless of whether considered in a proceeding at law or in equity.

Notwithstanding the foregoing and without limiting the generality of the foregoing exceptions, we express no opinion with respect to (i) the availability of the remedies of specific performance or injunctive relief, (ii) the availability of ex parte remedies and other self-help or non-judicial relief, or (iii) the legality, validity, binding effect, or enforceability of provisions that provide for an event of default or availability of remedies predicated solely upon commencement of bankruptcy, reorganization or similar proceedings with respect to the Concession Company, the Contractor or the Operator.

2. Without limiting the generality of any other exception, limitation or qualification, we express no opinion with respect to (i) the enforceability of a set-off right, (ii) the application of any law, statute, rule or regulation relating to the environment, health or safety, (iii) any law, statute, rule, or regulation that may apply to any party as a result of its activities in the Commonwealth that are not directly related to the transactions contemplated by the Concession Company Documents, (iv) the enforceability of any provisions of the Concession Company Documents to the extent that any recovery of attorneys’ fees is not limited to reasonable attorneys’ fees, and (v) the validity or enforceability of any purported waiver or purported consent relating to any other rights of any party, or duties owed to any of them, existing as a matter of law, including without limitation the purported waiver of any party’s right to a jury trial.

3. We have not considered and do not express an opinion with respect to (i) any Federal or state (including the Commonwealth) securities and antitrust laws and regulations or (ii) the power and authority of the Authority to enter into the Agreement or to carry out the transactions contemplated thereby.

4. We express no opinion with respect to the law of fiduciary obligations, pension and employee benefit law, environmental law, patent, copyright, trademark or other intellectual property law, racketeering law, health and safety law, labor law, law with respect to national or local emergency, security or terrorism, tax law, federal or state securities or blue sky laws, or antitrust or unfair competition law.
